Extracted Tasks Report

I'm happy to help, but I need to know the current date to convert "tomorrow" into an actual date. Since I don't have the current date, I'll assume a date for demonstration purposes. Let's assume today's date is 26/07/2024.

27/07/2024: Translate the paper and send a message when it is finished
27/07/2024: Come to take the translated paper
